Tour conditions:

According to the organization of the rounds (trains, car or plane)

For the public space:

Travel in train:

2 or 3 SNCF return trips from Lille (the director or the production manager may have to make the trip)

For journeys between the station and the place of performance, please provide a vehicle that can easily transport the two artists, the BMX and the cello.

Or

Travel in car:

1 return trip from Lille at €0.636 / km + tolls

For the room:

Travel in train:

3 or 4 SNCF return trips from Lille (the director or the production manager may have to make the trip)

For journeys between the station and the place of performance, please provide a vehicle that can easily transport the two artists, the BMX and the cello.

Or

Travel in car:

1 return trip from Lille at €0.636 / km + tolls

When traveling by air:

The BMX is transported in a 23kg bag (generally included in the price of the ticket.) The cello can be transported in the hold for animals or in the cabin (plan for an additional ticket). The host structure can also provide one on site.
